

# Delightful Tea Bake School, Southend-on-Sea

## Baking, Patisserie & Sugar Craft Course Guide

### Half Day Classes

#### ***Victoria Sponge & Jam Making***

A fun and relaxed way to master this classic British teatime treat and includes jam-making too. This class runs during the British strawberry season only

#### ***Hello Cupcake!***

Our introduction to the world of cupcakes starts with making delicious mini sponges, before creating sugar craft decorations and piping with buttercream

#### ***Chocolate Truffle Making & Tempering for Beginners***

Love chocolate? This half day class is perfect for chocoholics! You make delicious hand-piped truffles as well as getting to grips with chocolate tempering skills.

#### ***Teatime Baking for Beginners***

Making crumbly all-butter shortbread and wonderful fruited scones are what's in store in this teatime classics class

### Full Day Classes

#### ***Bread Making for Beginners***

Start your bread making journey with us, where we will show you how to work with yeasted doughs, making tin loaves and cinnamon rolls, as well as a nifty yeast-free soda bread for when you're short on time

#### ***French Bread Making***

Try your hand at a range of classic French-style breads – that's brioche, baguettes and fougasse. Who needs the boulangerie?

#### ***Italian Bread Making***

Master some of our most loved favourites – ciabatta, focaccia and proper pizza dough. You'll never want to call for take away again!

#### ***French Breakfast Pastries (Viennoiserie)***

Fancy a challenge? Make your own flaky French-style pastries and learn all about how those layers are achieved first hand. We promise that the effort is worth it!

#### ***Bagels & Pretzels Making***

Something a little different – learn to prepare, shape and bake these deliciously satisfying European breads

#### ***Doughnuts & Churros Making***

There's nothing naughtier nor nicer than a proper deep-fried doughnut filled with jam – aside from a perfectly crisp yet tender Spanish-style churro of course! Make both in this doughy dream of a class

#### ***Introduction to Macaron Making***

Recreate one of the highlights of the patisserie by learning to master these divas of the cake world; learn the skill of making perfectly crisp yet chewy-centred macarons yourself

#### ***Retro Biscuit Baking***

Custard creams, jammy dodgers and iced party rings – three superstars of the biscuit tin and so much better when made lovingly by hand!

#### ***Swiss Meringue Buttercream Techniques***

This class is all about using silky smooth SMBC to fill, ice and adorn your cakes with eye-catching hand-piped florals and leaves
